

5 Year Limited Warranty

The manufacturer warrants that for five (5) years from the date of original purchase this carpet, when properly installed and maintained, will retain at least ninety percent (90%) of its pile fiber and that if any portion of the carpet is abrasively worn more than ten percent (10%) within this 5 year period, the manufacturer will remove the worn area and replace the removed portion at its expense. This warranty is against abrasive loss of fiber due to normal wear and does not cover carpet installed on steps or pilling, matting, shedding, staining, fading, tears, pulls, cuts, crushing, burns, damage due to pets, damage due to abuse by any athletic equipment, damage caused by chairs or casters, damage due to improper installation, damage due to improper cleaning agents or methods, or any other deterioration in appearance not related to loss of pile fibers.

The manufacturer makes no warranty of merchantability or fitness for a particular purpose. The sole remedy provided by these limited warranties is replacement of the warranted carpet (including reasonable installation reimbursement), and remedies for incidental or consequential damages are expressly excluded. Some states do not allow the exclusion of incidental or consequential damages, so the above limitation may not apply to you.

This warranty gives you specific legal rights and you may also have other rights, which vary from state to state. This warranty is extended only to the original purchaser and is not transferable.
