RUG

10-YEAR LIMITED MANUFACTURING DEFECTS WARRANTY

(On all Studio by Karastan rugs)

Karastan warrants this Studio by Karastan rug against manufacturing defects for a period of ten (10) years from the original date of purchase. If, within the warranted period, the rug is determined to be defective, Karastan will handle such claims as stated in the “Karastan’s Limited Liability” section of this warranty brochure.

What Is Not Covered

In addition to the warranty exclusions listed in the “Carpet Warranty and Carpet Characteristic Exclusions” section of this brochure, this warranty also excludes the serging and fringe on the rug. Excessive force (e.g., vacuum with beater bar catching and pulling the fringe, clips used to hang rugs, etc.) applied to the fringe can cause separation behind the fringe which is not a warranted manufacturing defect.
