## RUG

### **20-YEAR LIMITED MANUFACTURING DEFECTS WARRANTY**

(On all other Karastan woven rugs excluding Axminster and excluding Studio by Karastan)

Karastan warrants its Karastan rugs against manufacturing defects for a period of twenty (20) years from the original date of purchase. If, within the warranted period, the rugs are determined to be defective, Karastan will handle such claims as stated in the “Karastan’s Limited Liability” section of this warranty brochure.

#### **What Is Not Covered**

In addition to the warranty exclusions listed in the “Carpet Warranty and Carpet Characteristic Exclusions” section of this brochure, this warranty also excludes the serging and fringe on the rug. Excessive force (e.g., vacuum with beater bar catching and pulling the fringe, clips used to hang rugs, etc.) applied to the fringe can cause separation behind the fringe which is not a warranted manufacturing defect.

If this rug is warranted against pile abrasion wear by the fiber producer, refer to the fiber producer warranty information for applicable usage allowance. The fiber producer warranty will take precedence over this warranty.
